**PRAYER LETTER**

**June 2007**

**G**reetings everyone in the name of Jesus!

**P**artnership is an awesome privilege and responsibility. And God honors those who hook up with His ministers to help take the Gospel to the nations. The remaining of this year I will be focusing on raising new partners. Partnership is a vital part to the life of any ministry including missionaries. Sometimes people seem to think that just because they see a missionary already on the field prospering in the things God has given him to do that there is no need for adding of more support. That can be the furthest from the truth. The truth of the matter is raising support is something that never ends. It's a continual event in the life of missionaries. For that very reason I have had to look at support raising differently. My goal this year is to complete **PhaseOne** project '200 plus 7!' In future letters I will update you as to where we are in this project so you can add your faith to ours in prayer. **As of this writing we have less than 20 faithful individual partners (goal is 200) and 1 church (goal is 7) that give to the ministry faithfully on a monthly basis.**

Please be in prayer with us for a creative miracle and a rapid completion Of PhaseOne.

**I** want to thank those faithful partners I do have without whom of which I could not continue to be a blessing on the field. You are very important to me and I don't take you for granted! Please know that you are in my prayers all the time and my desire and prayer for you is to see God's blessings continue to abound in your lives abundantly above all you can ask or think! We are a team and are impacting lives together, me as the goer and you as the sender, uniting to fulfill the mandate of our Lord and Savior to go into all the world with the good news of the gospel. We are making a difference and each partner is to be commended for the part they play in allowing me to be their representative here in Arequipa, Peru! Thank you for your obedience and continual faithfulness to hold us up in your prayers and finances.

**H**ere's a list of things to keep in your prayers:

- **Divine appointments and heavenly connections with pastors, churches, businesses and individuals to be able to accomplish our PhaseOne goals (200plus individuals 7plus churches) not just in the states but also in Peru.**
- While in Peru I will have to make contacts by phone so be in agreement with me for wisdom in saying the right things as well as listening ears and heart for those I will be talking to
- **Raise my monthly support to at least \$3000 a month**
- Office help for the ministry in the states and in Peru
- **Adequate transportation in Peru (a SUV)**
- Portable sound system for traveling
- **A photo printer in Peru office**
- Marriage is in the works so be in faith with me for the finances I will need to make this transition in my life
- **Wisdom to meet all challenges and changes that may come as well as direction for the years to come**

**M**y special prayer for all my partners is the following from **Philippians 4:17-19**:

*Not because I desire a gift: but I desire fruit that may abound to your account. [18] But I have all, and abound: I am full, having received of Epaphroditus the things which were sent from you, an odour of a sweet smell, a sacrifice acceptable, well pleasing to God. [19] But my God shall supply all your need according to his riches in glory by Christ Jesus.*

Thank you for your faithful prayers and support!
