Dear Charles E,

Thank you for taking the time to read our newsletter, it is one of the ways we can keep you informed about what God is doing in Perú! 2009 will be a year of many changes in the work we are doing; as these changes occur you will be able to know about them through our newsletters and prayer letters!

## Living Bread for the Month

### Ecclesiastes 11:1-4

#### New Living Translation

*1 Send your grain across the seas, and in time, profits will flow back to you.*

*2 But divide your investments among many places, for you do not know what risks might lie ahead.*

*3 When clouds are heavy, the rains come down. Whether a tree falls north or south, it stays where it falls.*

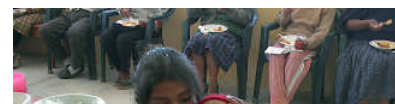

*4 Farmers who wait for perfect weather never plant. If they watch*

## Medical Missions Project

We are in the process of planning our first medical missions as a ministry. As we begin to take these first steps there are three main areas we are projecting aid; Alto Cayma, Yura and Chincha! The first two areas are located in the Arequipa area while the later is located outside of Lima. Presently we are conversing with some other missionaries that are here in Arequipa that were located in Bolivia for several years. They have a group coming in from Canada on a medical mission that they are hosting. We will be offering our help so we can get some hands on experience to help us in our plans! As I said earlier this will be our first mayor project but it will not be our last as we are actively praying and seeking God for wisdom to develop more outreach projects. Our heart is, we want to be in the middle of God's plan for our lives impacting, touching and changing as many lives as we can in these last days! Keep this project in your prayers that we will make all the divine connections we need with the right people, churches and businesses for medical supplies and the finances we will need to make this project a total success!

## Other Projects in the Mix

We are so excited about this year, besides all the traveling to visit churches and conduct seminars, we will also be looking at some other project possibilities like hosting mission trips and starting feeding programs just to mention a few! We really like the idea and potential of the feeding programs.

There are so many poor areas that we can reach out to that we would be foolish not to take advantage of this opportunity of reaching the children to later be able to reach their parents! The idea is to go to an area and start bible studies for the children, which will be mandatory if they want to participate in the meal part which we will be providing. Ultimately our goal will be to reach their parents with the good news of the gospel!

**PLEASE KEEP US IN YOUR PRAYERS AS WE BEGIN TO DEVELOP THESE PROJECTS THROUGHOUT THIS YEAR AND BE IN AGREEMENT WITH US THAT ALL THE FINANCES, PEOPLE, RESOURCES, EQUIPMENT, BUILDINGS AND WHATEVER ELSE WE MIGHT NEED TO BE SUCCESSFUL WILL BE PROVIDED!**
