**PRAYER LETTER**

**January 2007**

**Greetings everyone in the name of Jesus!**

**THANK GOD we have entered another year.** We are on the threshold of the greatest time in history. Think about the following: We are the generation that is most likely to see the coming of the Lord than any other generation before us! That's powerful to even think about but it is a present day reality and should cause us to be more concern for kingdom business, the fulfilling of our heavenly mandate to go into all the world with the good news of the GOSPEL! As we get closer to His coming more anointing, power, glory, and authority is being poured out on us to enable us to carry out our mandate! This should be a consuming desire in the heart of every Christian finishing our assignment in the earth so we can go to be with the King! I am getting excited just thinking about it, Glory to God! Friends as we enter this New Year I pray that your focus is redirected to the mandate of the church and that kingdom business becomes more important to you than any earthly pleasures. Don't allow the smokescreens of pleasures to distract you from the urgency of

the time we are living. No I am not saying you cannot have any fun, what I am saying is don't let fun and pleasure have first place in your life but rather kingdom business! Life is too short, heaven is too real and hell is too hot to continue living in such a way that we give no importance to our mandate and quest to take the Gospel to the world! So friends lets get focused as we enter 2007 and let kingdom things take its rightful place in our lives.

**I am in the process of preparing for my yearly trip back to the states.** It is amazing how God graces me to do the work here in Peru but on another note He also graces me to return to the states. But the strangest thing of all is I know when it is time for both, glory to God!

**As I prepare for my travels this year, from mid February until about the latter part of April, please keep the following in prayer:**

- Divine appointments and heavenly connections with pastors, churches and individuals to be able to accomplish our **Phase One** goals (200plus individuals 7plus churches)
- A minimum of 8 ministering engagements while in the states
- Adequate transportation for the entire trip
- Raise my monthly support to at least \$3000 a month
- Establish new friendships and relationships
- Office help for the ministry in the states and in Peru
- Adequate transportation when I return to Peru (An SUV)

**My special prayer for all my partners is the following from Philippians 4:19**

*Philip. 4:17-19*

*Not because I desire a gift: but I desire fruit that may abound to your account. [18] But I have all, and abound: I am full, having received of Epaphroditus the things which were sent from you, an odour of a sweet smell, a sacrifice acceptable, wellpleasing to God. [19] But my God shall supply all your need according to his riches in glory by Christ Jesus.*

Thank you for your faithful prayers and support!
