

**PRAYER LETTER**

**October 2008**

**O**n August the 30<sup>th</sup> we celebrated the anniversary of the Extension Ministry! Each ministry in the church-Comunidad Cristiana de Arequipa has designated a specific anniversary date whereby each year they can take time out to celebrate the good things that each ministry is doing in the church. Last year because of all my travels I somehow overbooked myself and could not attend their celebration, instead I was conducting a seminar because I could not change the date. Thank God this year I organized things a lot better and did attend the celebration! It was a blessing to be able to honor the leaders in this ministry for their faithfulness and hard work throughout this year. God moved in a special way so that we were able to take all the leaders out to a nice restaurant to honor them without them having to pay anything to help with the cost. At the end of the lunch we announced to everyone that the meal had been paid for in full, their eyes were filled with such gratitude knowing that all was taken care of! We had a great time of fellowship and good food.

**God is beginning to open some big doors for our satellite churches!**

For example, in the La Joya church one of the members in that church donated a small piece of land so we can build a church. After taking care of all the paper work the only thing we will need to do is raise money so we can go head with the construction. This is our desire and heart for all these churches, to have their own buildings! I will keep you updated on the progress and any new developments as we proceed with the construction. We have not established yet how much the construction cost will be but as soon as we do I will report this to you. Any partner or anyone that would like to help with the construction cost please send your donations to my Houston address with a note in the memo section with the words "Construction Cost" and your gifts will be used accordingly.

**Thank You Faithful Partners for your prayer and financial support, you make it possible for us to be able to keep doing all that we are able to do here in Arequipa, Peru!**

**Please continue to THANK GOD FOR THE FOLLOWING:**

- 1. Pastors for our satellite churches**
- 2. Buildings for all our satellite churches**
3. Boldness and more open doors to minister the Word freely
4. 7 new churches partnering with us faithfully on a monthly basis
